

2009 STROKE AND TURN AND MEET REFEREE TRAINING

This year we are requiring meet referees and officials to attend a new training.

Monday June 15th 6:30 -8 PM

Del Vets Pool (in the hall)

Plan for 1.5 hours and we will try to get you out earlier.

Each pool must send at least ONE individual to the training in order for them to serve as a meet referee at home meets. We would also like to see each pool's NBSL rep attend the meeting.

Pools who do not send at least one designate to the training and who do not follow up with Maureen may not be able to provide the meet referee at their home meets.

This training will include watching a USA Stroke and Turn DVD and training on how to run an efficient meet and how to handle situations that have been issues in prior NBSL swim seasons.

Please contact Maureen Buzdygon or the stroke and turn committee with any questions and concerns or if you cannot make the training.

mbuzdygon@hotmail.com or 529-7348.

Thank-you, the 2009 NBSL Stroke and Turn Committee:
