

## NBSL PRELIMINARY CHAMPIONSHIPS

Parents: Parking is limited in our pool parking lot. There are spaces for those who require special parking. But I would like to refer you to some alternative parking besides Marsh road. We have alternative parking spots available at Forwood Elementary School. There is a path that runs from their baseball field to the back entrance of our swim club. This is easily accessible to our pool. A lot of our members who live in North Graylyn Crest use this route to access our pool. Holiday Hills also has a path that connects to our path at the back of our pool. I will include directions at the bottom of this page to help you get to these parking areas. I also would like to point out that BranMar Plaza has numerous parking spaces available and across the street from our pool is a development (Delaview) where you are able to park. If you decide to park on Marsh Road I would just like to remind you to be careful walking, some drivers tend to ignore the speed limit. Good Luck to all your swimmers.

Graylyn Crest Swim Club

**Forwood Elementary School parking:** From Silverside Road turn onto Floral Drive, turn right onto Matwood Road this will lead you directly to the baseball field at Forwood. From Grubb Road turn onto Floral Drive, turn left onto Matwood Road and follow to Forwood's baseball field.

**Holiday Hills parking:** From Marsh Road turn into Holiday Hills on Old Orchard Road and turn left onto Coventry Drive. Follow to the end of the street and park near Holiday Hills Park.  
From Grubb Road turn onto Coventry Drive and then turn first right onto Westminster Drive. Follow to Holiday Hills Park. Path is just past last house on the left. Follow around to the back entrance of pool.
